

QUARRY GLEN HOA CANDIDATE STATEMENTS

WILLIAM "BILL" ANDERHALT – Been on OG HOA Board for many years.

SUZANNE COOK – I own a home improvement business. My other working history includes many positions responsible for identifying issues and procuring repair / replacement including supermarket manager and maintenance supervisor for fast food chain franchisee. Additionally, I have decades of administrative experience. This is my second stint of home ownership in Quarry Glen 6 years now.

CHAD HOOGERVORST – Some rules are silly others need enforcement. I teach elementary school so I know how to deal with children. I'm calm and reserved. I have zero supervisory experience, however I work with a team all day. A vote for me means a car in every garage and a chicken in every pot. Long live America!
