

SUPERIOR POINTE COMMUNITY ASSOCIATION

CANDIDATE STATEMENTS

NICK HARRIS – I have served the board for 3 years now, and we are so close to seeing our vision become a reality. We have officially gotten through the lawsuit to a settlement, worked with contractors, painters, and landscapers and are about to kick start the restoration of our beautiful community - please give me the chance to see this through as we are almost there. Personal qualifications include having managed \$1B yearly marketing budgets for Paramount Pictures for 10+ years, and currently handle Product Development Finance at Rivian Automotive. I look forward to seeing our community shine once again

ENAS SALBERG - My name is Enas Salberg. I have been an owner at Superior Pointe for over three years. I have served on multiple association boards. I have served as a treasurer and a vice chair. I have managed properties and projects for about 17 years. I currently own and manage multiple properties. I think I will be a great asset on the board. I will not just enforce policies but make sure the owners are truly represented. I envision this community to be a safe and enjoyable place for all of its residents/owners. We can do so much better for Superior Pointe. I hope to get your vote and to represent your interests. Our owners deserve better than what they have been getting from the board. Help me get elected to make our community better. Sincerely, Enas Salberg
